

UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

MONTY BLATT, Individually and On
Behalf of All Others Similarly Situated,

Plaintiff,

v.

CORN PRODUCTS INTERNATIONAL,
INC., and SAMUEL C. SCOTT, III,

Defendants.

**Case No. 1:05-CV-03033
Hon. James B. Zagel**

**NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION,
HEARING ON PROPOSED SETTLEMENT AND ATTORNEYS'
FEE PETITION, AND RIGHT TO SHARE IN SETTLEMENT FUND**

***IF YOU PURCHASED CORN PRODUCTS, INC. COMMON STOCK BETWEEN
JANUARY 25, 2005 AND APRIL 4, 2005, INCLUSIVE (THE "SETTLEMENT CLASS
PERIOD"), YOU COULD RECEIVE A PAYMENT FROM A CLASS ACTION SETTLEMENT.***

A federal Court authorized this Notice. This is not a solicitation from a lawyer.

Securities and Time Period: Corn Products, Inc. ("Corn Products") common stock purchased between January 25, 2005 and April 4, 2005, inclusive.

Settlement Fund: \$6.6 million in cash. Your recovery will depend on the number of shares of common stock purchased and the timing of your purchases, and any sales. Depending on the number of eligible shares of common stock that participate in the Settlement and when that common stock was purchased and sold, the estimated average recovery per share of common stock will be approximately \$0.50 before deduction of Court-approved fees and expenses.

The Lawsuit: The Settlement resolves class action litigation over whether Corn Products and its CEO, Samuel C. Scott, III, intentionally or recklessly misled investors as to the Company's anticipated financial results and its increased production costs during the Settlement Class Period. See "The Status of the Lawsuit" and Question 2 below for more information.

Attorneys' Fees and Expenses: Plaintiffs' Counsel have litigated this Action on a contingent basis and have conducted this litigation and advanced the expenses of litigation with the expectation that if they were successful in recovering money for the Settlement Class, they would receive fees and be reimbursed for their expenses from the Settlement Fund, as is customary in this type of litigation. Lead Counsel will apply to the Court for attorneys' fees not to exceed 25% of the Gross Settlement Fund and reimbursement of out-of-pocket expenses not to exceed \$100,000 (exclusive of ongoing costs in conjunction with the administration of the Settlement), plus interest, all to be paid from the Settlement Fund. If the above amounts are requested and approved by the Court, the average cost per share of common stock will be \$0.1325.

STATEMENT OF RECOVERY

Plaintiffs estimate that approximately 13.1 million shares of Corn Products common stock were traded during the Settlement Class Period. Plaintiffs estimate that the average recovery per share of Corn Products common stock under the Settlement will be \$0.50 per share before the deduction of attorneys' fees, costs, and expenses, as approved by the Court. The actual recovery per share will depend on: (1) the number of claims filed; (2) when Settlement Class Members purchased or otherwise acquired their shares during the Settlement Class Period; (3) whether Settlement Class Members either sold their shares during the Settlement Class Period, or held their shares past the end of the Settlement Class Period; (4) administrative costs, including the costs of notice; and (5) the amount awarded by the Court for attorneys' fees, costs, and expenses. Distributions to Settlement Class Members will be made based on the Plan of Allocation set forth in this Notice. *See* the Plan of Allocation on pages 6-8.

THE CIRCUMSTANCES OF THE SETTLEMENT

The principal reason for Plaintiffs' consent to the Settlement is to provide a benefit to the Settlement Class now. This benefit must be compared to the risk that no recovery might be achieved after contested motions, a contested trial, and likely appeals, possibly years into the future. While Lead Counsel were prepared to go to trial and were confident in their ability to present a case, they recognize that a trial is a risky proposition and that Plaintiffs and the Settlement Class might not have prevailed. The claims advanced by the Settlement Class involve numerous complex legal and factual issues, requiring extensive expert testimony, which would add considerably to the expenses and duration of the litigation. Lead Counsel recognize that there are substantial obstacles that Plaintiffs and the Settlement Class would have had to overcome to prevail on their liability claims. For example, Plaintiffs faced the possibility that the proposed class would not be certified or that some or all of Plaintiffs' claims could have been dismissed before trial at summary judgment. Had the case gone to trial, Defendants would have asserted, among other things, that Corn Products' increased production costs during the Settlement Class Period were fully and adequately disclosed and that the forward-looking statements that Defendants made about Corn Products' business, including statements that the Company's operating margins would improve for 2005, were true and complete when made. Defendants' counsel are also prepared to go to trial and are equally confident in their ability to defend Plaintiff's claims, but they too recognize the risks inherent in going forward with the litigation.

In addition, the parties disagreed on damages and do not agree on the average amount of damages per share that would be recoverable if Plaintiffs were to have prevailed on each claim alleged. The issues on which the Parties disagree include: (1) the appropriate economic model for determining the amount by which any Corn Products common stock was allegedly artificially inflated (if at all) during the relevant time period; (2) the amount by which any Corn Products common stock was allegedly artificially inflated (if at all) during the relevant time period; (3) the effect of various market forces influencing the trading prices of Corn Products common stock at various times during the relevant time period; (4) the extent to which external factors, such as general market and industry conditions, influenced the trading prices of Corn Products common stock at various times during the relevant time period; (5) the extent to which the various matters that Plaintiffs alleged were materially false or misleading influenced (if at all) the trading prices of Corn Products common stock at various times during the relevant time period; (6) the extent to which the various allegedly adverse material facts that Plaintiffs alleged were omitted influenced (if at all) the trading prices of Corn Products common stock at various times during the relevant time period; and (7) whether the statements made or facts allegedly omitted were false, misleading, material, or otherwise actionable under the federal securities laws. This Settlement therefore enables the Settlement Class to recover a significant percentage of the alleged damages as calculated by Lead Counsel in conjunction with their expert, without incurring any additional risk. As a result, Plaintiffs and Lead Counsel believe this Settlement is an excellent recovery.

BASIC INFORMATION

1. Why did I receive this Notice package?

You or someone in your family may have purchased shares of Corn Products common stock between January 25, 2005 and April 4, 2005, (the “Settlement Class Period”), inclusive.

If this description applies to you, you have a right to know about a proposed settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the Settlement. If the Court approves it and after any objections or appeals are resolved, the Claims Administrator appointed by the Court will make the payments that the Settlement allows.

This package explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to receive them.

2. What is this lawsuit about?

Corn Products is a worldwide corn refiner based in Westchester, Illinois. The Company processes corn to manufacture and sell starches, liquid sweeteners, and other ingredients to food and industrial customers in over sixty industries around the world.

The Complaint alleges that, during the Settlement Class Period, Defendants issued materially false and misleading statements in which they represented to the investing public that Corn Products’ 2005 operating results would demonstrate “continued improvement over its 2004 performance”; that the Company would have “improving operating margins in 2005”; and that the Company would “have another year of improvement on its return on capital.” The Complaint also alleges that Defendants falsely assured the investing public that the Company would be able to increase the prices it charged its customers in order to achieve these results.

The Complaint alleges that on April 5, 2005, Corn Products issued a press release which announced that it expected its first quarter earnings to decline by 35 to 40 percent from the first quarter of 2004 “due primarily to three factors that affected the U.S. and Canadian portions of its North American region.” According to the press release, these factors included unanticipated higher net corn costs, higher energy and freight costs, and “manufacturing expense problems.” The Complaint alleges, however, that Defendants were well aware both before and during the Settlement Class Period that, for a number of reasons, the Company’s production costs had increased dramatically, leaving Defendants with no reasonable basis to believe that its increased costs could be recovered by raising prices charged to its customers.

On April 5, 2005, the price of Corn Products common stock fell from \$25.86 per share to \$20.98 per share on heavy trading volume, a decline of 30% from its Settlement Class Period high of \$30.14.

The Complaint alleges that Defendants’ misstatements during the Settlement Class Period regarding Corn Products’ 2005 operating results were false when made and thus violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 (the “Exchange Act”).

3. Why is this Action a class action?

In a class action, one or more people called “class representatives” sue on behalf of people who have similar claims. All of these people who have similar claims are referred to collectively as a “Class” or individually as “Class Members.” Once a class is certified, one court resolves the issues for all Class Members, except for those who exclude themselves from the Settlement. U.S. District Court Judge James B. Zagel of the United States District Court for the Northern District of Illinois is in charge of this action. The case is known as *Blatt v. Corn Products International, Inc.*, Case No. 1:05-CV-03033. In this case, the Defendants have opposed certification of a class on the grounds that the named class representatives do not satisfy the governing legal standards, and that motion remained undecided at the time of settlement.

4. Why is there a Settlement?

The Court did not decide in favor of Plaintiffs or Defendants. Instead, both sides agreed to settle the litigation to avoid the cost and risks of further litigation and trial. As explained above, Plaintiffs and Lead Counsel think the Settlement is best for all Settlement Class Members.

WHO IS IN THE SETTLEMENT

To see if you will receive money from this Settlement, you first have to determine if you are a Settlement Class Member.

5. How do I know if I am part of the Settlement?

The Class includes *all persons who purchased Corn Products common stock between January 25, 2005 and April 4, 2005, inclusive, except those persons and entities that are excluded, as described below.*

6. What are the exceptions to being included?

You are not a Settlement Class Member if you are a Defendant in this Action, an officer or director of Corn Products, at any relevant time; a member of his or her immediate family or his or her legal representative, heir, successor, or assign; or any entity in which Defendants have or had a controlling interest.

If you sold Corn Products common stock between January 25, 2005 and April 4, 2005, inclusive, that alone does not make you a Settlement Class Member. You are a Settlement Class Member only if you purchased Corn Products common stock between January 25, 2005 and April 4, 2005, inclusive.

If one of your mutual funds purchased or owns shares of Corn Products stock, that alone does not make you a Settlement Class Member.

7. I am still not sure if I am included.

If you are still not sure whether you are included, you can ask for free help. For more information, you can contact the Claims Administrator by mail at: Corn Products Securities Litigation, c/o Berdon Claims Administration, P.O. Box 9014, Jericho, NY 11753-8914; by telephone at: (800) 766-3330; by facsimile at: (516) 931-0810; by visiting their website at www.berdonclaims.com; or you can fill out and return the claim form described in question 10, to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU RECEIVE

8. What does the Settlement provide?

Defendants have agreed to create a \$6.6 million cash Settlement Fund. The balance of this fund, after payment of court-approved attorneys' fees and expenses, taxes, and the costs of claims administration, including the costs of printing and mailing this Notice and the cost of publishing newspaper notice (the "Net Settlement Fund"), will be divided among all Settlement Class Members who submit valid claim forms.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG SETTLEMENT CLASS MEMBERS

9. How much will my payment be?

If you are entitled to a payment, your share of the Net Settlement Fund will depend on the number of valid claim forms that Settlement Class Members submit, how many shares of Corn Products common stock you purchased, and when you bought and sold your Corn Products shares. By following the Plan of Allocation described below, you can calculate your "Recognized Claim." The Claims Administrator will distribute the Net Settlement Fund, that is, the Settlement Fund, less taxes owed, all administrative costs, including the costs of notice, and attorneys' fees and expenses, as awarded by the Court, according to the Plan of Allocation after the deadline for submission of Proof of Claim and Release forms has passed.

The Claims Administrator shall determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's "Recognized Claim." The Recognized Claim formula is not intended to be an estimate of the amount that a Settlement Class Member might have been able to recover after a trial; nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Claim formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants.

RECOGNIZED CLAIMS

The Basis for the Calculation of Your Recognized Claim

The following proposed Plan of Allocation reflects Plaintiffs' contention that because of alleged misrepresentations and omissions about Corn Products' financial condition and prospects, the price of Corn Products common stock was artificially inflated during the relevant time period for the proposed Class until April 4, 2005, when Corn Products announced increased production costs which it had previously concealed. Defendants deny that they made any material misrepresentations or omitted to disclose any material information, or that Corn Products' stock price was artificially inflated. The Claims Administrator shall determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's "Recognized Claim" calculated under the following formula:

For each share of Corn Products common stock purchased between January 25, 2005 and April 4, 2005, and:

- a. Sold prior to the close of trading on April 4, 2005, the Recognized Claim shall be zero.
- b. Retained at the end of trading on July 1, 2005, the Recognized Claim shall be the lesser of:
 - (i) \$4.50 per share; or
 - (ii) the difference between the purchase price per share and \$22.59.¹
- c. Sold between April 5, 2005 and July 1, 2005, the Recognized Claim shall be the lesser of:
 - (i) \$4.50 per share; or
 - (ii) the difference between the purchase price per share and the sales price per share for each share sold; or
 - (iii) the difference between the purchase price per share and the average closing price of Corn Products common stock between April 5, 2005 and the date of sale for each share sold (*see* Exhibit A).

General Provisions

- a. The date of purchase or sale is the "contract" or "trade" date and not the "settlement" date.
- b. The date covering a "short sale" is deemed to be the date of purchase of Corn Products shares. The date of a "short sale" is deemed to be the date of sale of Corn Products shares. Shares originally sold short shall have a zero Recognized Claim.
- c. In processing claims, the first in, first out basis ("FIFO") will be applied to purchases and sales.
- d. Brokerage commissions, fees and taxes should be excluded from the purchase and sale prices of Corn Products shares.
- e. Where shares were purchased or sold by reason of having exercised an option, the premium should be incorporated into the price accordingly.
- f. All profits will be subtracted from all losses, both computed in the manner described above, in order to determine the net Recognized Claim of each Authorized Claimant.
- g. No cash payment will be made on a claim where the potential distribution amount is \$5.00 or less.
- h. The Court has reserved jurisdiction to allow, disallow or adjust the claim of any Settlement Class Member on equitable grounds.

¹ Pursuant to Sections 21(D)(e)(1) and 21(D)(e)(2) of the Private Securities Litigation Reform Act of 1995, the award of damages to the plaintiff shall not exceed the difference between the purchase price paid by the plaintiff for the subject security and: (1) for plaintiffs who still held shares at the end of the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated, the mean trading price of that security during the 90-day period; or (2) for plaintiffs who sold shares during the 90-day period, the mean trading price of the security during the period beginning immediately after dissemination of information correcting the misstatement or omission and ending on the date on which the plaintiff sold the security. The mean (average) closing price of Corn Products International, Inc. common stock during the 90-day period beginning on April 5, 2005 and ending on July 1, 2005 was \$22.59 per share.

i. Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Claim as compared to the total Recognized Claims of all Authorized Claimants.

j. No person shall have any claim against Plaintiffs' Counsel, the Claims Administrator or other agent designated by Plaintiffs' Counsel, or any Defendant's Counsel, based on the distribution made substantially in accordance with the Stipulation and this Plan of Allocation, or further orders of the Court.

k. Settlement Class Members who do not submit timely, acceptable and valid Proof of Claim and Release forms are not Authorized Claimants and will not share in the Settlement proceeds, but will nevertheless be bound by the Settlement and by the Judgment of the Court dismissing this Action.

l. Checks will be distributed to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Settlement Class Members, who are entitled to participate in the distribution of the Net Settlement Fund, cash their distribution checks, any balance remaining in the Net Settlement Fund one (1) year after the initial distribution of such funds shall be redistributed to Settlement Class Members who have cashed their checks and who would receive at least \$5.00 each from such redistribution. If, after six months after such re-distribution any funds shall remain in the Net Settlement Fund, then such balance shall be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s) designated by agreement of Lead Counsel and Defendants' Counsel.

HOW YOU RECEIVE A PAYMENT – SUBMITTING A CLAIM FORM

10. How will I receive a payment?

To qualify for payment, you must be an eligible Settlement Class Member and you must submit a Proof of Claim and Release form. A Proof of Claim and Release form is enclosed with this Notice. Read the instructions carefully, fill out the form, include all the documents the form requests, sign it, and mail it in an envelope **postmarked no later than October 15, 2007**. *Retain a copy of everything you mail, in case the materials are lost or destroyed during shipping.*

11. When will I receive my payment?

The Court will hold a hearing on November 15, 2007, to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals. It is always uncertain whether appeals, if any, can be resolved, and resolving them can take time, perhaps several years. In addition, the Claims Administrator must process all of the Proof of Claim and Release forms. The processing is complicated and will take many months. Please be patient.

12. What am I giving up by staying in the Class?

Unless you exclude yourself, you are staying in the Settlement Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants or the Released Parties (defined below) about the claims being released in this Settlement. It also means that all of the Court's orders will apply to you and legally bind you and you will release your claims in this case against the Defendants.

Pursuant to the proposed Settlement, and on the Effective Date, Plaintiffs and other members of the Settlement Class who do not exclude themselves therefrom on behalf of themselves, their heirs, executors, administrators, successors, and assigns, shall release and forever discharge, and shall forever be enjoined from prosecuting, the Released Parties (defined below) with respect to each and every Released Claim (defined below).

The "Defendants" include Corn Products International, Inc., and Samuel C. Scott, III, each of whom will be released from all Released Claims. The proposed Settlement will release all Settlement Class Members' Released Claims against each Defendant; their present and former parents, subsidiaries, divisions, and affiliates; each of their respective present and former employees, officers, directors, attorneys, accountants, insurers, and agents; any person or entity that was or is affiliated with, or has or had a controlling interest in, any of the foregoing; and the predecessors, heirs, successors, and assigns of each of the foregoing (collectively, the "Released Parties").

“Released Claims” means any and all claims, demands, rights, liabilities, and causes of action of every nature and description whatsoever, known or unknown (as Unknown Claims is defined herein), whether or not concealed, including claims for negligence, gross negligence, breach of fiduciary duty or care and/or breach of duty of loyalty, fraud, or violations of any state or federal statutes, rules, or regulations, by any individual, derivative, or class plaintiff against Defendants and the Released Parties arising out of, based upon, or related to the purchase of Corn Products common stock during the Settlement Class Period and the facts, transactions, events, occurrences, acts, disclosures, statements, omissions, or failures to act that were or could have been alleged in the Action.

“Unknown Claims” means any Released Claims which Plaintiffs or any Settlement Class Member does not know or suspect to exist at the time of the Effective Date that, if known, might have affected the Settlement or any of the terms hereof, or the decision by any Settlement Class Member not to object to this Settlement or to opt out from the Settlement Class. Plaintiffs and the Settlement Class Members expressly acknowledge that they may hereafter discover facts in addition to or different from those that any of them or their counsel now know or believe to be true with respect to the subject matter of the Released Claims or otherwise, and that they intend to have and, upon the Effective Date, Plaintiffs shall expressly have and each Settlement Class Member shall be deemed to have, forever settled and released such claims.

With respect to any and all Released Claims, the Parties stipulate and agree that upon the Effective Date, Plaintiffs shall expressly waive, and each of the Settlement Class Members shall be deemed to have waived, and by operation of the Judgment shall have waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, that is similar, comparable, or equivalent in effect to California Civil Code Section 1542 or that would otherwise act to limit the effectiveness or scope of the releases. California Civil Code Section 1542 provides: “A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.”

If the proposed Settlement is approved by the Court, all Released Claims will be dismissed on the merits and with prejudice as to all Settlement Class Members and all Settlement Class Members shall be forever barred from prosecuting a class action or any other action raising any Released Claims against any Released Party.

On the Effective Date, Defendant shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged each and all of the Plaintiffs, Settlement Class Members, Plaintiffs’ Counsel, and all other plaintiffs’ counsel in this and related actions from all claims that have been or could have been asserted in this litigation or in any other forum by one or more of the Defendants or their successors or assigns, arising out of, in any way relating to, or in connection with the institution, prosecution, assertion, settlement, or resolution of the Action or the Released Claims, except to enforce the releases or other terms and conditions contained in the Settlement Agreement or any Court order (including but not limited to the Judgment) entered pursuant thereto.

The Effective Date of the proposed Settlement shall be the earliest date on which all of the following events and conditions have occurred or have been met: (1) Defendants shall have timely transferred or caused to be timely transferred \$6.6 million to the Escrow Agents; (2) no Party has the right pursuant to the Stipulation to terminate the Stipulation (or any Party with such right has given written notice to the other Parties that it will not exercise such right); (3) the Court has approved the Settlement, following Notice to the Settlement Class and the Settlement Hearing, and has entered the Judgment; and (4) the Judgment has become final.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, but you want to keep the right to sue or continue to sue the Defendants on your own about the same claims being released in this Settlement, then you must take steps to exclude yourself from the Settlement. This is referred to as opting out of the Class.

13. How do I exclude myself from the Settlement?

To exclude yourself from the Settlement, you must send a letter by mail stating that you want to be excluded from *Blatt v. Corn Products International, Inc.*, Case No. 1:05-CV-03033. You must include your name, address, telephone number, your signature, and the number of shares of Corn Products common stock you purchased between January 25, 2005 and April 4, 2005, inclusive, the number sold during this time period, if any, and the dates of such purchases, acquisitions, and sales. You must mail your Request for Exclusion **postmarked no later than September 14, 2007** to the Claims Administrator at:

Corn Products Securities Litigation – Exclusion
c/o Berdon Claims Administration LLC
P.O. Box 9014
Jericho, NY 11753-8914

Retain a copy of everything you mail, in case the materials are lost or destroyed during shipping.

You cannot exclude yourself over the phone or by e-mail. If you ask to be excluded, you are not eligible to receive any Settlement payment, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit and you will be able to pursue the claims that are being released in this Settlement.

14. If I do not exclude myself, can I sue the Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendants or the Released Parties for the claims being released by this Settlement. If you have a pending lawsuit relating to the claims being released in this case against any of the Defendants, speak to your lawyer in that case immediately. *Remember, the exclusion deadline is September 14, 2007.*

15. If I exclude myself, can I receive a payment from this Settlement?

No. If you exclude yourself, do not send in a Proof of Claim and Release form. But, you may sue, continue to sue, or be part of a different lawsuit asserting the claims being released in this Settlement against Defendants or the Released Parties.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court appointed the law firm of Cohen, Milstein, Hausfeld & Toll, P.L.L.C. to represent you and the other Settlement Class Members. This law firm is called Lead Counsel. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

Lead Counsel will apply to the Court for attorneys' fees not to exceed 25% of the Settlement Fund and for reimbursement of their out-of-pocket expenses up to \$100,000 (collectively, an average of \$0.1325 per share of common stock), which were advanced in connection with the Action, plus interest on such fees and expenses at the same rate as earned by the Settlement Fund. Such sums as may be approved by the Court will be paid from the Settlement Fund. *Settlement Class Members are not personally liable for any such fees or expenses.*

The attorneys' fees and expenses requested will be the only payment to Plaintiffs' Counsel for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis. To date, Plaintiffs' Counsel have not been paid for their services for conducting this litigation on behalf of the Plaintiff and the Settlement Class nor for their substantial out-of-pocket expenses. The fee requested will compensate Plaintiffs' Counsel for their work in achieving the Settlement Fund and is well within the range of fees awarded to class counsel under similar circumstances in other cases of this type. The Court may, however, award less than this amount.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or some part of it.

18. How do I tell the Court that I do not like the Settlement?

If you are a Settlement Class Member, you can object to the Settlement if you do not like any part of it. To object, you must send a letter saying that you object to the Settlement in Blatt v. Corn Products International, Inc., Case No. 1:05-CV-03033. Be sure to include your name, address, telephone number, your signature, the number of shares of Corn

Products common stock purchased and sold between January 25, 2005 and April 4, 2005, inclusive, and the reasons you object to the Settlement. Any objection to the Settlement must be mailed or delivered such that it is received by *each of the following* no later than September 14, 2007:

Counsel for Defendants

19. What is the difference between objecting to the Settlement and excluding myself from the Settlement Class?

Objecting is simply telling the Court that you do not like something about the Settlement, the Plan of Allocation, or the application for attorneys' fees and expenses. You can object *only if* you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING

20. When and where will the Court decide whether to approve the Settlement?

The Court will hold a fairness hearing at 11:00 a.m., on November 15, 2007, at the United States Courthouse, Everett McKinley Dirksen Building, Room Number 2503, 219 South Dearborn Street, Chicago, Illinois 60604. At this hearing the Court will consider whether the Settlement and the Plan of Allocation are fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will listen to people who have requested in writing by September 14, 2007 to speak at the hearing. The Court may also consider Lead Counsel's application for attorneys' fees and reimbursement of expenses.

21. Do I have to come to the hearing?

No. Lead Counsel will answer questions Judge Zagel may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter stating your intention to appear in *Blatt v. Corn Products International, Inc.*, Case No. 1:05-CV-03033. Be sure to include your name, address, telephone number, your signature, and the number of shares of Corn Products common stock you purchased between January 25, 2005 and April 4 2005, inclusive. Your notice of intention to appear must be postmarked no later than September 14, 2007, and be sent to the Clerk of the Court, Lead Counsel, and Defendants' counsel, at the addresses listed in question 18. You cannot speak at the hearing if you exclude yourself from the Settlement.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will receive no money from this Settlement. But, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants or the Released Parties about the same claims being released in this Settlement.

OBTAINING MORE INFORMATION

24. Are there more details about the Settlement?

This Notice summarizes the proposed Settlement. More details are in the Stipulation and Agreement of Settlement dated May 23, 2007. You can obtain a copy of the Stipulation and Agreement of Settlement, or more information about the Settlement, by contacting the Claims Administrator by mail at: Corn Products Securities Litigation, c/o Berdon Claims Administration, P.O. CLAIM FORM INSTRUCTIONS

1. If you purchased Corn Products common stock in your name, you are the beneficial owner as well as the record owner. If, however, you purchased Corn Products common stock and the certificate(s) were registered in the name of a third party, such as a nominee or brokerage firm, you are the beneficial owner and the third party is the record owner.

2. Use ¶ 16 of this form entitled “Claimant Information” to identify each beneficial owner and, if different, each record owner, of the Corn Products common stock which forms the basis of this claim.

THIS CLAIM MUST BE FILED BY THE ACTUAL BENEFICIAL OWNERS, OR THE LEGAL REPRESENTATIVE OF SUCH OWNERS, OF THE CORN PRODUCTS COMMON STOCK UPON WHICH THIS CLAIM IS BASED.

3. All joint owners must sign this claim. If you are acting in a representative capacity on behalf of a Settlement Class Member, *e.g.*, as an executor, administrator, trustee, conservator, or other representative, documentation establishing your current authority to act on behalf of that Settlement Class Member must accompany this claim, and your title or capacity must be stated. Such documentation would include letters

testamentary, letters of administration, or a copy of the trust documents. Failure to provide the foregoing information could delay verification of your claim or result in rejection of your claim

4. The Social Security or Taxpayer Identification Number and telephone number of the beneficial owner may be used in verifying the claim and must be included. Failure to provide the foregoing information could delay verification of your claim or result in rejection of your claim.

5. Use ¶ 17, §§ a, b, c, d, and e of this form entitled “Schedule of Trading Activity in Corn Products Common Stock” to supply all required details of your transaction(s). If you need more space, attach separate, numbered sheets giving all of the required information in substantially the same format. Print your name and Social Security or Taxpayer Identification Number at the top of each additional sheet.

6. On the schedule, provide all of the requested information with respect to **all** of your purchases and **all** of your sales of Corn Products common stock that took place during the Settlement Class Period, whether such transactions resulted in a profit or a loss. 7. List each transaction in the Settlement Class Period separately and in chronological order, by trade date, beginning with the earliest. You must accurately provide the month, day, and year of each transaction you list.

8. The date of purchase, acquisition, or sale is the “contract” or “trade” date and not the “settlement” date.

9. In processing claims, the first-in, first-out (“FIFO”) basis will be applied to purchases and sales. Sales will be matched in chronological order, by trade date, first against the common stock held as of the close of trading on January 24, 2005 (the last day before the Settlement Class Period begins) and then against the purchases during the Settlement Class Period.

10. The date of covering a “short sale” is deemed to be the date of purchase of Corn Products common stock. The date of a “short sale” is deemed to be the date of sale of Corn Products common stock. Shares originally sold short shall have a zero Recognized Claim.

11. Where common stock was purchased/sold by reason of having exercised an option/warrant, the option/warrant premium should be incorporated into the price accordingly.

12. If an Authorized Claimant’s trading activity during the Settlement Class Period exceeds 50 transactions, he or she must provide, in an electronic file, all purchase and sales information required in ¶ 17, §§ a, b, c, d, and e. For a copy of instructions and parameters concerning such a submission, contact the Claims Administrator by phone at: (800) 766-3330; by fax at: (516) 931-0810; or via the website at: www.berdonclaims.com.

13. No cash payment will be made on a claim where the potential distribution amount is less than \$5.00.
