PLEASE READ THIS ENTIRE NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED. THIS NOTICE DESCRIBES A PENDING CLASS ACTION, PROPOSED PARTIAL SETTLEMENTS, AND RELATED MATTERS. IF YOU ARE A MEMBER OF THE CLASS DESCRIBED BELOW, YOU MAY BE ENTITLED TO SHARE IN THE SETTLEMENT FUND.

This Notice informs you that: (1) there is now pending in this Court a class action brought on behalf of certain persons who purchased or leased new Mercedes-Benz vehicles from certain of the Mercedes-Benz dealers in the New York Region; and (2) plaintiffs have entered into proposed settlement agreements with six of the defendants. You are being notified so that you may make appropriate decisions as to what action, if any, you wish to take in relation to this matter. Your possible choices are described later in this Notice.

Pursuant to Rule 23 of the Federal Rules of Civil Procedure and Orders entered by the Honorable Alfred M. Wolin of the United States District Court for the District of New Jersey ("the Court"), **YOU ARE HEREBY NOTIFIED AS FOLLOWS:**

By Order entered on February 19, 2003, a plaintiff class ("Class") has been certified for all purposes against Mercedes Benz, USA, Inc. ("MBUSA"); the Mercedes-Benz dealers identified in Exhibit A hereto, and Sheft Kahn and Company (collectively, the "Defendants"). The Class includes all persons and entities who purchased or leased a new Mercedes-Benz vehicle directly from any of the defendants identified in Exhibit A hereto during the period from February 1, 1992 through August 30, 1999. Excluded from the class are all governmental entities, any of the Defendants, and their respective subsidiaries and affiliates. The section of this Notice titled "Background of the Class Action" summarizes the scope of Class Plaintiffs' claims.

Proposed partial settlements have been entered into between the Class and six of the dealer defendants: Benzel-Busch Motor Car Corp.; Rallye Motors, Inc.; Silver Star Motors, Inc.; Contemporary Motor Cars, Inc.; Competition Imports, Inc. (a/k/a Competition Imports of Smithtown and Competition Imports) and Kea Motor Car Corp. (collectively, the "Settling Defendants").

A hearing will be held before the Court in Courtroom No. 4D, Martin Luther King, Jr. Federal Building and U.S. Courthouse, 50 Walnut Street, Newark, New Jersey 07102, on December 14, 2004, at 10:00 a.m. (the "Settlement Hearing") to determine whether the proposed partial settlements, as set forth in the settlement agreements entered into as of March 19, 2003, May 6, 2003, and September 30, 2003 (the "Settlement Agreements") are fair, reasonable, and adequate to the Class.

IF YOU PURCHASED OR LEASED A NEW MERCEDES-BENZ VEHICLE DIRECTLY FROM ANY DEFENDANT IDENTIFIED IN EXHIBIT A HERETO DURING THE PERIOD FROM FEBRUARY 1, 1992 THROUGH AUGUST 30, 1999, YOU MAY BE A MEMBER OF THE CLASS, AND YOU NEED NOT TAKE ANY ADDITIONAL ACTION TO REMAIN IN THE CLASS. IF YOU WERE INVOLVED IN A LEASE OF A NEW MERCEDES-BENZ VEHICLE, EITHER AS A LESSEE

OR LESSOR, YOUR RIGHT TO PARTICIPATE AS A CLASS MEMBER AND YOUR RIGHT TO A POTENTIAL RECOVERY ARE SUBJECT TO A FURTHER RULING OF THE COURT, AS DESCRIBED BELOW.

IF YOU REMAIN IN THE CLASS, YOUR RIGHTS AND INTERESTS IN CONNECTION WITH THIS LITIGATION WILL BE REPRESENTED BY THE CLASS PLAINTIFFS AND CLASS PLAINTIFFS' COUNSEL IDENTIFIED BELOW. YOU MAY ALSO ENTER AN APPEARANCE THROUGH YOUR OWN COUNSEL IF YOU WISH. IF YOU EXCLUDE YOURSELF FROM THE CLASS, YOU MAY, IF YOU WISH, BE REPRESENTED BY YOUR OWN RETAINED COUNSEL AT YOUR OWN EXPENSE. IF YOU REMAIN IN THE CLASS, YOU WILL BE CONCLUSIVELY BOUND BY ANY JUDGMENTS OR ORDERS ENTERED IN THE LITIGATION, AND BY THE SETTLEMENTS, AND YOU WILL BE ENTITLED, AT A LATER POINT IN TIME, TO SUBMIT A CLAIM FORM TO SHARE IN THE SETTLEMENT PROCEEDS. FURTHER, IF YOU REMAIN IN THE CLASS, YOU WILL BE BOUND BY THE PROCEEDINGS AND OUTCOME OF THE LITIGATION AS TO ALL CLAIMS ASSERTED AS AGAINST ALL DEFENDANTS. YOU WILL ALSO HAVE THE RIGHT TO SHARE IN ANY FUTURE SETTLEMENT OR AWARD OF DAMAGES; AND YOU WILL BE PRECLUDED FROM PURSUING ANY INDIVIDUAL LAWSUIT OR CLAIM(S) AGAINST ANY DEFENDANT(S) ARISING OUT OF OR RELATING TO THE CONDUCT ALLEGED IN THE CLASS ACTION.

LEASED VEHICLES

With respect to leased vehicles, Class Plaintiffs and Defendants do not agree on whether the lessees or the third-party lessors, such as MB Credit Corporation or other financial institutions, are the proper Class member. Therefore, the Court must decide this issue. It is anticipated that a revised notice will be sent out once the Court clarifies the rights of lessors and lessees to participate in the Class Action.

BACKGROUND OF THE CLASS ACTION

Class Plaintiffs filed this lawsuit against the Defendants in the United States District Court for the District of New Jersey in September 1999. Class Plaintiffs allege that the Defendants unlawfully agreed to fix, raise, maintain and stabilize prices of new Mercedes-Benz vehicles sold or leased in the MBUSA New York Region, which included portions of New York, New Jersey and Connecticut, in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1. Class Plaintiffs

claim that, as a result of this alleged price-fixing, they and other members of the Class paid more for Mercedes-Benz vehicles than they would have paid absent such conduct. Each defendant vigorously denies Class Plaintiffs' claims.

On February 19, 2003, the Court certified this action to proceed as a class action for all purposes as against all Defendants on behalf of the Class. As more fully discussed below, the plaintiffs entered into settlement agreements with six of the defendants in March, May and September, 2003. On September 5, 2003, and February 19, 2004, the Court gave its preliminary approval to these settlements. The Court must give its final approval to these settlements for them to be effective. Whether or not the proposed settlements are approved, the litigation will continue against the other defendants.

The Court has designated the following Lead and Liaison Counsel for the Class:

THE COURT HAS NOT RULED ON THE MERITS OF ANY OF THE CLAIMS OR DEFENSES ASSERTED BY THE PARTIES. THIS NOTICE IS NOT TO BE UNDERSTOOD AS AN EXPRESSION OF ANY OPINION BY THE COURT AS TO THE MERITS OF SUCH CLAIMS OR DEFENSES.

SUMMARY OF THE PROPOSED SETTLEMENTS

1. Monetary Terms

Class Plaintiffs have reached negotiated settlements of the Class Action with six of the Defendants. As of March 19, 2003, Class Plaintiffs entered into a Settlement Agreement with four of the Defendants (Benzel Busch Motor Cars Corp., Contemporary Motor Cars, Inc., Rallye Motors, Inc., and Silver Star Motors, Inc.). As of May 6, 2003, Class Plaintiffs entered into a Settlement Agreement with Competition Imports, Inc. (a/k/a Competition Imports of Smithtown and Competition Imports). As of September 30, 2003, Class Plaintiffs entered into a Settlement Agreement with Kea Motor Car Corp. The proposed Settlements represent compromises of disputed claims and do not mean that any of the Settling Defendants, or any other Defendant in this matter, has been found liable in respect of any of the claims asserted by Class Plaintiffs. The Settling Defendants specifically deny any liability on their part and settled to avoid the expense and uncertainty of complex litigation. The following description of the proposed partial settlements on behalf of the Class is only a summary. The Settlement Agreements, and the exhibits thereto, are on file with the Court.

The Settlement Agreements are subject to approval by the Court following the Settlement Hearing. On September 5, 2003, the Court preliminarily approved the first two Settlement Agreements, and ordered that this Notice be provided to the members of the Class. On February 19, 2004, the Court preliminarily approved the third Settlement Agreement and ordered that this Notice be provided to Class members.

The Settlement Agreements, if finally approved by the Court, provide for cash payments totaling \$5.1 million and the dismissal with prejudice of all claims against the Settling Defendants in this action (the "Class Action Claims"). The amounts paid in settlement of the Class Action Claims against the Settling Defendants, after payment of any Court-ordered attorneys' fees, reimbursement of litigation expenses as approved by the Court, and expenses of providing Notice to the Class and of administering and distributing the settlement (including tax-related expenses), will be distributed among the members of the Class who submit timely and valid Claim Forms. The distribution will be pursuant to a plan of allocation to be submitted to and approved by the Court at a later time. If you have not already excluded yourself from the Class, you will be notified and have an opportunity to be heard by the Court with respect to any such proposed plan.

The settlements described in this Notice are only partial settlements of the litigation; they represent settlements by 6 of 26 Defendants. Litigation against the other Defendants continues. Except as provided elsewhere herein (see Section 3), at this time it is Plaintiffs' counsel's intention to hold these funds in escrow until it is determined whether additional settlements with, or judgments against, any of the remaining Defendants occur. If they do not, then a distribution to Class Members relating only to these settlement funds will be proposed by Plaintiffs' counsel. If additional settlements with, or judgments against, remaining Defendants are obtained, these funds would be added to the existing settlements, and a distribution to Class Members would be based on the total settlement amounts, minus attorneys' fees and costs. In either case, you will receive additional notice of the distribution plan and have an opportunity to respond and/or object. Distribution of the funds may not occur for several more years, depending on the progress of the litigation.

Damages in price-fixing cases like this one historically are determined by calculating the difference between the prices charged for the vehicles sold during the conspiracy period and the prices that would have been charged absent the conspiracy. Should the plaintiffs ultimately prove their case, any overcharge will likely range from a few hundred to a few thousand dollars at most per vehicle. The amount any Class Member might receive may depend on a number of factors, including the number of class members who submit claims. It is impossible to estimate how much any class member might receive until the total amount of all settlements and/or judgments is determined.

The Settlement Agreements also provide that, subject to Court approval, an award of attorneys' fees for plaintiffs' counsel and reimbursement of expenses that counsel have advanced will be sought at a later time, to be paid from the Settlement Fund, as well as from any additional future settlements and/or judgments that may be obtained from defendants other than the Settling Defendants.

Based upon their extensive investigation, their consultation with experts retained by them and their evaluation of the claims of the Class Members as against the Settling Defendants and defenses that might be asserted thereto, Class Plaintiffs' Counsel believe that the settlements are fair, reasonable and adequate and in the best interests of the Class.

2. Release of Claims Against The Settling Defendants

IF YOU DO NOT EXCLUDE YOURSELF FROM THE CLASS AND THE SETTLEMENT AGREEMENTS ARE APPROVED BY THE COURT, YOU WILL BE BOUND BY ALL OF THE COURT'S ORDERS AND JUDGMENTS ENTERED PURSUANT TO THE SETTLEMENT AGREEMENTS, INCLUDING THE DISMISSAL AND RELEASE OF YOUR CLAIMS AGAINST THE SETTLING

DEFENDANTS, AS PROVIDED BELOW, REGARDLESS OF WHETHER YOU FILE A CLAIM FORM OR PARTICIPATE IN THE SETTLEMENT FUND.

In the event that the Court approves the Settlement Agreements after the Settlement Hearing, each member of the Class that did not timely and validly exclude him, her, or itself from the Class shall, on his/her/its own behalf and, if a corporate entity, on behalf of its respective present and former direct and indirect parents, subsidiaries and affiliates, the present and former officers, directors, employees, agents, and legal representatives of each of the foregoing, and the predecessors, successors, heirs, executors, administrators and assigns of each of the foregoing (collectively, the Releasers), completely release and forever discharge each Settling Defendant, and all of their present and former direct and indirect parents and subsidiary companies including, without limitation, all of their present and former officers, directors, members of any supervisory board or board of management, employees, agents and legal representatives of each of the foregoing and the predecessors, successors, heirs, executors, administrators and assigns of each of the foregoing (collectively, the Releasees) all manner of claims, demands, actions, suits, causes of action, whether class, individual or otherwise in nature, damages whenever incurred, liabilities of any nature whatsoever, including without limitation costs, expenses, penalties and attorneys' fees, asserted or unasserted, in law or in equity, which Releasers or any of them, whether directly, representatively, derivatively or in any other capacity, ever had or now have, concerning alleged collusive or anticompetitive conduct in respect of the pricing, discounting, marketing, distribution, sale or leasing of new Mercedes-Benz vehicles, including the conduct alleged in the Class Action.

In addition, each Releaser hereby expressly agrees that, upon final approval of the proposed Settlements, the Releaser waives and releases with respect to the Released Claims, to the fullest extent permitted by law, any and all provisions, rights and benefits conferred by (a) § 1542 of the California Civil Code, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor

and (b) any similar state, federal, or other law, rule or regulation or principle of common law. Each Releaser may hereafter discover facts other than or different from those that Releaser knows or believes to be true with respect to the subject matter of the released claims, but each Releaser hereby expressly agrees that, upon Final Approval, it shall have waived and fully, finally and forever settled and released any known or unknown, suspected or unsuspected, asserted or unasserted, contingent or non-contingent claim with respect to the Released Claims, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such other or different facts.

The release and dismissal of the above claims will have no effect upon any claims you may have against persons other than the Releasees, as defined above. This litigation is proceeding against such persons on behalf of the Class. In addition, the above release shall not release any product liability or breach of contract claims unrelated to the subject matter of the Class Action.

The Court preliminarily approved the settlements on September 5, 2003 and February 19, 2004. The Court found the proposed settlements, upon preliminary review, to be within the range of reasonableness. Accordingly, as described further below, the Court has scheduled a Settlement Hearing in order to determine whether the proposed settlements should be finally approved.

3. Attorneys' Fees and Expenses

Class Counsel have pursued this litigation on behalf of Plaintiffs and the Class without receiving compensation for their services or reimbursement for their expenses. They have done so with the under-

standing that, if they obtained a recovery, their expenses would be reimbursed and they would receive fees from the fund recovered. To date, Class Counsel have incurred in excess of \$ 500,000.00 in expenses, and they will continue to incur expenses as the litigation continues against the remaining, *i.e.*, non-settling, Defendants.

Class Plaintiffs' Counsel do not intend to file a petition for payment of attorneys' fees and expenses at this time. Such a petition will be filed at a later stage of this litigation, at which time you will be notified of the material terms of the petition, and will be afforded the opportunity to be heard by the Court with respect thereto. The Settlement Agreements provide that such fees and expenses that may hereafter be awarded by the Court may be paid out of the Settlement Fund after Court approval. Class Plaintiffs' Counsel have stated that they will not seek more than thirty-three percent (33%) of the Settlement Fund for attorneys' fees.

If the Court approves the settlement, Class Counsel may apply to the Court to allow them to use a portion of the Settlement Fund to pay or reimburse any reasonable costs and expenses advanced by Class Counsel prior to the time when distributions from the Settlement Fund are made to Class Members. Any such interim distributions will be for expenses only, and will not be for legal fees. Class Counsel will limit any requests for interim distributions so that the total amount will not exceed \$500,000.

4. Filing and Processing of Claim Forms

If you are a member of the Class and do not exclude yourself from the Class in accordance with the procedures set forth in this Notice, and the Settlements become effective in accordance with the terms of the Settlement Agreements, you will be entitled to share in the Settlement Fund. Claim Forms will be provided to you at a later point in time.

You should retain all documents that substantiate the purchases or leases of new Mercedes-Benz vehicles that you will claim on your Claim Form.

To the extent that you have previously entered into an agreement with any Releasee that settles or compromises antitrust claims based on purchases or leases of new Mercedes-Benz vehicles during the period identified above, you may not claim or recover under the Settlement Agreement with respect to any purchases or leases of new Mercedes-Benz vehicles covered by the previous settlement.

REQUESTS FOR EXCLUSION

If you wish to exclude yourself from the Class, you must do so by sending a written request for exclusion, by regular mail, postage prepaid, postmarked on or before November 8, 2004, to the Settlement Administrator at the following address:

Mercedes-Benz Antitrust Litigation
P.O. Box 1321
Blue Bell, PA 19422

The request for exclusion must clearly state the name and address of the person or entity who wishes to be excluded from the Class, as well as all trade names or business names and addresses used by such person or entity and any of its parents, subsidiaries or affiliates that purchased or leased new Mercedes-Benz vehicles during the period from February 1, 1992 through August 30, 1999, and who are also intended to be excluded from the Class. In order to be effective, exclusions must be signed by the purchaser or lessee, and all joint purchasers or lessees must sign exclusion requests for vehicles that were purchased or leased jointly.

IN ORDER TO BE EXCLUDED FROM THE CLASS, YOU MUST TIMELY REQUEST EXCLUSION IN THE MANNER SET FORTH ABOVE EVEN IF YOU HAVE FILED OR HERE-AFTER FILE YOUR OWN LAWSUIT AGAINST ANY OF THE DEFENDANTS BASED ON CLAIMS THAT ARISE OUT OF THE CONDUCT AT ISSUE IN THIS LITIGATION.

If you promptly and timely submit a request for exclusion from the Class, you will not be bound by the Settlement Agreements or any judgment or orders entered pursuant thereto, and you will not be entitled to share in the Settlement Fund and will not receive any of the other benefits of the Settlement. You also will not be bound by the proceedings and outcome of the Class Action as against any remaining, i.e., non-settling, Defendants. You will be free to pursue whatever legal rights you may have against any of the Releasees and/or any other Defendant at your own cost and expense.

SETTLEMENT HEARING

The Court will hold a hearing in Courtroom No. 4D, Martin Luther King, Jr. Federal Building and U.S. Courthouse, 50 Walnut Street, Newark, New Jersey, 07102, on December 14, 2004 at 10:00 a.m. (the "Settlement Hearing") to determine whether the Settlement Agreements should be approved as fair, adequate and reasonable to the Class and whether the claims of the Class should be dismissed with prejudice as to the Releasees that are defendants herein, as provided in the Settlement Agreements. Any member of the Class that has not requested to be excluded from the Class is entitled to appear and be heard at the Settlement Hearing, in person or through duly authorized attorneys, and to show cause why the Settlements should not be approved as fair, reasonable and adequate. However, no such person shall be heard at the Settlement Hearing and no paper or brief submitted by such person shall be received or considered by the Court unless, on or before November 8, 2004, such person files a notice of intention to appear, and a statement of the position to be asserted, and the grounds therefore, together with copies of any supporting papers or brief with the Clerk, United States District Court for the District of New Jersey, 50 Walnut Street, Newark, New Jersey 07102, with proof of service upon the counsel identified below:
